Kia Ora Koutou,

It has been a very difficult past two weeks with the staff, students and community coming to terms with the resignation of our principal. I thank you all for your patience around this matter and for the support that you have all offered me as I fill the Acting Principal role here at Coastal Taranaki School. It is a real privilege to be able to spend time talking to you personally and being able to step up and lead the school on in our positive direction. If you have not read my letter from the first of June, please rest assured that our magnificent staff remains focussed on business as usual and the focus on learning and achievement remains our top priority.

Building work at school continues and work on the gym is making good progress, the demolition is done and we are almost ready to begin putting new ceilings in. Work on the Linkway has also started and we do apologise for the added inconvenience caused. The building team are excellent and I must say a huge thank you to them all as they continue to work hard to get it all done.

June the 1st saw a great many changes to families within our school. We have fare-welled some students who have moved onto new farms and are seeking out new opportunities elsewhere. I wish them all the best and hope they settle in to their new schools and communities quickly. This change around has also seen some new faces arrive with us at Coastal Taranaki School. We welcome you all with open arms and hope your transition in to school and your new homes are smooth and as simple as possible. I know you will all love it here, we have an excellent school and our staff and students really care. Please feel free to come and see us at any time if you wish to talk, our door is always open to you

The Interschool competitions are in full swing and I was most impressed with our students as they competed against St Josephs last week. The players were competitive, fair and had excellent sportsmanship skills. I applaud their efforts; the first one is always the toughest! Another high point for me was the shared kai after the event where our students shone in their speeches. Well done to all, you have done us proud; keep it up and good luck against Frankley School this week.

Our Young Enterprise Team (YES) has wowed judges with their entry and they have been successful in the first round of presentations. Congratulations to them – I am most impressed with the effort they are putting in and wish them all the best for the 'Dragon's Den'. "Good Luck team."

David Apimerika from Treefish and I have started a programming, Raspberry Pi club on a Wednesday Lunchtime. This has been hugely popular with the Year 3/4 students and last week we had a record high of 19 interested participants. Currently we are using Minecraft to help capture student interest and we hope to move quickly into programming and using Raspberry Pi to create the world and make physical objects to interact with the Minecraft space. I am blown away by their interest and enthusiasm. What awesome kids!

Quiz night on the 2nd was a roaring success and congratulations to the winning team. Thank you to the FOCTS team as they continue to provide us not only with entertainment but funding as well! We truly appreciate the efforts you go to for Coastal Taranaki School. Thank you all for the hard work and continued dedication to our school.

Finally, many of you will know the news already but it gives me great pleasure to announce that Mrs Kath Lawn has accepted the Maternity cover position for

Mrs Jayne Stevenson. I am very happy to welcome her back to Coastal Taranaki School, we have a long history with Mrs Lawn and know that our kids will continue to flourish with her taking over.

Another recent appointment has seen Mrs Jemma Moorby return to CTS. This will be in a job share capacity as Mrs Page will be working part time Monday to Thursday afternoons from Term 3. It is fantastic to have Mrs Moorby back and I know the kids will love the combination of teachers there. "Welcome aboard, Jemma"

Finally, we have altered a date in the calendar to provide a reporting day to you. School reports will be presented and discussed with you on the last day of term. The 7th July will see the school open for interviews and discussion around achievement and progress. The bus service will not be running on this day. We are aiming to be available all through the day to 6pm to enable as many discussions as possible. We look forward to seeing you on the 7th July.

Kind regards
Ben Naughton
Acting Principal

Coastal Values - showing the 3 Bee's

Alyssa Rayner, Natalie Barry, Aidan Fisher, Luka MacLean, Cinnamon Danger, Jazmine Murray, Hunta Ryder, Sidney Harvey and Greer Harvey.

Student of the Week - Week 4

Shae Tippett for an awesome effort with independent writing.

Oliver McLellan for extending himself with his writing, reading and maths.

Milly Sole for being a friendly class member and always involving everyone.

Eloise Moorby for always trying to do her best and for being a helpful class member.

Emma Goodin for putting a great effort into her art work.

William O'Donnell for an excellent attitude to class work.

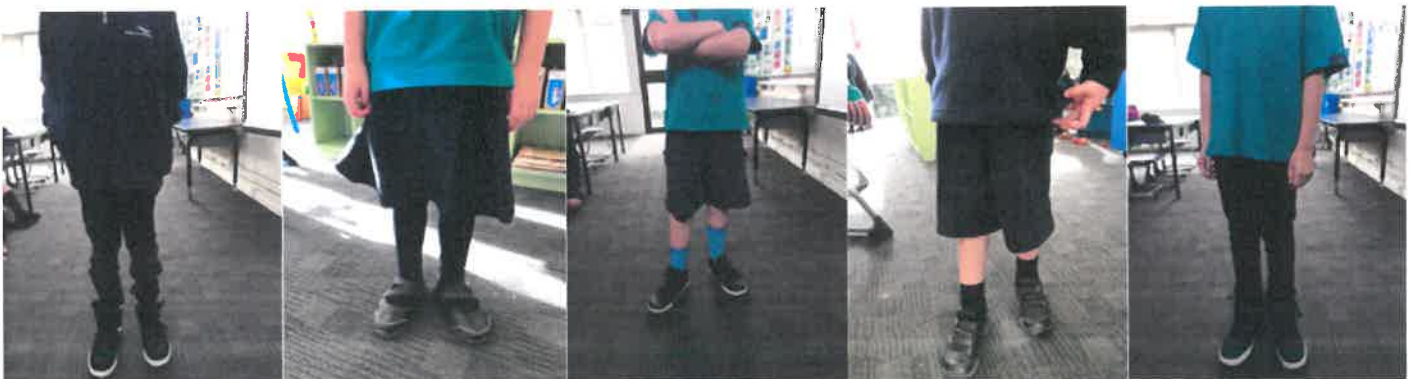

Knight Baylis for working hard to improve his writing and reading.

Seth Goble for jumping up two age levels in reading! This is exceptional, I am so proud of you!

Devon Heremaia for her exceptional efforts to present her work to a high standard.

Uniform

Please remember to wear our smart school uniform to school everyday. Look at the pictures below, **which is the right choice for school?** Our uniform at school is the turquoise blue polo shirts and navy blue shorts, trousers or skirts with black shoes and socks. Please encourage students to wear the correct uniform at school.

School Lunch orders from the Four Square

All lunches must be pre-ordered and handed into the school office by 9.30am. Lunches will be delivered to classrooms and will be available at 12.40pm.

Bobby Calf Fundraiser - Thank you to our farming community

For many years, our farming community has helped us raise money for the school by donating the payment for bobby calves to Coastal Taranaki School. We are again asking any farmers to please ensure that when setting up their agreement with the company taking their bobby calves to please ensure that they **name Coastal Taranaki School** as their preferred **receiver of the company's donation per calf**. Pass this on to any farmers you know. If your bobby calf company doesn't have this system in place then there will be ear tags available for farmers to donate payment of some bobby calves to the school.

Thanks to all those farmers that consistently contribute to the school in this way. Your help is appreciated.

Sports Department - Ray Hayward

Hi everyone and welcome to the latest news from the Sports Department.

Huge Congratulations to our Moto Cross star Zak Hetherington, who will once again race for New Zealand in Tahiti in September. Zak will return as the defending champion.

As you are aware the Gym is undergoing substantial renovation. Given the good weather of late progress is slightly ahead of schedule. It's projected that we will get the Gym back to use in July.

Winter sports are well and truly underway and we are well represented in Football, Netball and Hockey. We have a full roster of coaches for all teams and I must thank all those parents and students who have taken up the coaching roles.

Netball is currently in the Grading Round with all teams playing well. Junior football continues to produce lot's of fun on Saturday morning and our Senior Girls team (and Senior Netball team) are performing really well.

Inter-school sport for Year 5 & 6 has started with round one played last week against St Joseph's New Plymouth. **This Friday 9th June we host Frankley School. Games start at 12.30pm.**

Recently, we had a group of Indoor Bowlers compete in the TSSSA Indoor Bowls Champs. While we didn't come home with the trophies all players acquitted themselves and the school really well.

TSSSA events that are coming up are the Badminton and 10 Pin Bowling events.

CTS Soccer

This weekend the Coastal Pirates and the Coastal Strikers took part in the annual Queen's Birthday Soccer Tournament at Peringa Park. There were hundreds of kids, along with many parents and coaches. Each team played five games against other clubs. The kids had a super fun time and did some fantastic team work. Hayley Sulzberger and Jackson Wheeler both scored goals with awesome assistance from their team mates. We are VERY proud of all the kids for showing excellent team spirit and always being ready to have fun.

The Coastal Soccer teams attend the Oakura Soccer Hub every Saturday for an hour of practice and games. The children are improving their ball skills all the time and are showing immense progress during their games. Go Coastal!

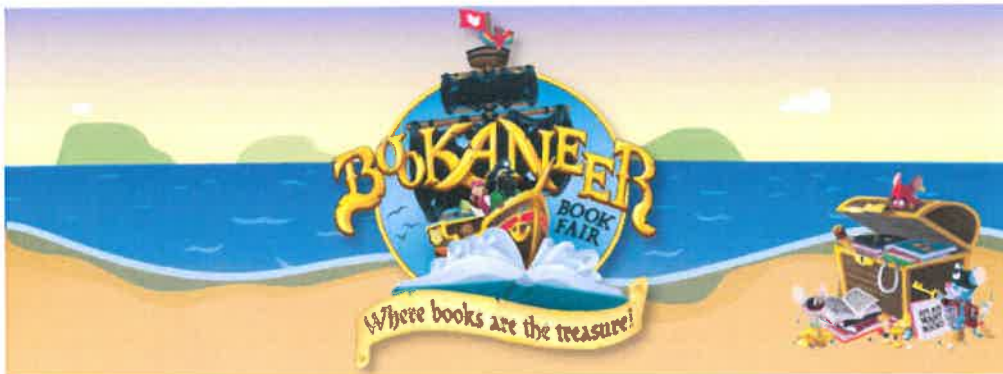

Coastal Pirates: Albie Staunstrup Moore, Jackson Wheeler, Jimmy Winsloe, Kaia Wirepa, Kyan Cox, Levi Worby-Ryan, Malachi and Jasmine Kirk and Sam Rowe.

Coastal Strikers: Amélie Staunstrup Moore, Ben Moffit, Hayley Sulzberger, Louis Edwards-Carter, Mia Wade, Rebecca Goodin

and Scarlett Worby-Ryan.

Team mascots: Enzo Staunstrup Moore, Jessica Sulzberger, Indi Wade and all the other siblings plus dogs :o)

Careers and Gateway - BCITO Big Construction Tour

On Thursday 29th June, BCITO will be holding a BCITO Big Construction tour in New Plymouth. This is an opportunity for Year 11-13 students to get a taste of the industry and those interested in pursuing an apprenticeship in the building and construction and many different trade careers available. Please let Mrs Palmer know if you are interested in attending.

STUDENTS AGAINST DRINK DRIVING - DRESS UP A DOOR

The S.A.D.D team have put together an activity that involves both the Junior and Senior school as seen/heard at assembly but to put it all down briefly..

There is a competition between the year groups 0-6 and 7-13 what each class needs to do is 'dress up a door' with anything they can find/use as long as the end product fits/shows the theme. Juniors theme- Safety in the car i.e wearing your seat belts, not distracting the drivers e.t.c

Seniors theme- Six SADD principles, your class will have to choose at least one of these principles which are Sober Drivers, Safe Speeds, No Distractions, Avoiding Risk, Driving to the conditions, and Building experience. It must be clear which of these you have chosen, it will not be judged on the amount of principles your class has chosen but how well your door is presented!

The Door that represents their theme the best will win a prize that is yet to be decided, winners will be announced at the next assembly, doors have to be completed by the end of day Thursday 22nd of June. Good luck!

Young Enterprise Scheme - Business Mentor

We have five Year 13 students involved in the Young Enterprise Scheme (YES). As their business idea they have opened the school canteen one day a week. As part of the scheme we need to have a business mentor. This means that from time to time you would meet with the team to support them with advice and ideas. If you think you can help out in this role, please contact Marian Richardson at school.

Young Enterprise Scheme Coastal Canteen

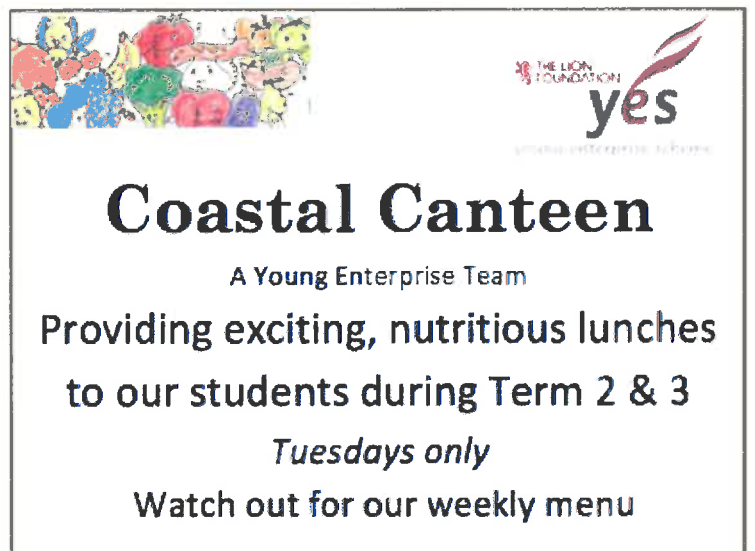

A small group of five Year 13 students have joined the Young Enterprise Scheme this year. Their business idea is to open up the canteen during terms 2 and 3 to provide healthy school lunches to all students and staff.

Each Tuesday we will be serving something different this will be written outside the canteen for the students to see along with an order form with that weeks meal and price. The following weeks, these will be sent out on Tuesday afternoons and need to be back that Friday so the lunch is ready to collect Tuesday at lunchtime. As well as the selected meal we will be selling hot chocolates on request for \$3.00. Each student will get an order form weekly, extra available from the school office.

Coastal Canteen - Young Enterprise

Thank you to all those families who have been supporting our business and buying lunches at our Coastal Canteen on Tuesdays. We hope you are pleased with our service. Any feedback would be appreciated.

As part of the YES scheme we recently had to present our business idea to a panel of judges. There were 27 teams from throughout Taranaki and **Coastal Canteen was selected in the top six**. That means we have to present again in the finals which is a Dragon Den's type of presentation on June 29th. Watch this space
